

Hello to my fellow Idahoans in Agriculture!

I am seeking to gather input from Idaho's farmers, ranchers, and rural citizens as Congress begins work on a new Farm Bill in 2007. I would appreciate your help to ensure that Idaho's needs and interests are front and center for this important legislation. Please take some time to fill out the brief survey below and thank-you!

Larry E. Craig
United States Senator

1.) Do you participate in any federal farm, livestock, or other agriculture or rural-based programs?

YES

NO

2.) If so, please list no more than two programs you participate in.

3.) Provide short comments on the effectiveness and adequacy of the programs you participate in.

4.) Do you believe the current Farm Bill has helped, hindered, or has not impacted your operation?

5.) Provide brief comments on what may help improve your operation in the next Farm Bill.

To save postage and to offer more detailed responses, you can submit your responses on-line at
